

RECRUITMENT, SELECTION AND HIRING

The board believes that the quality of the professional staff in large part determines the quality of the education offered district pupils. Therefore, the chief school administrator shall have the responsibility of locating and recruiting the best qualified candidates to provide for the identified needs of district pupils.

Provisional teaching candidates shall be given equal consideration with all other candidates for teaching positions. The chief school administrator shall follow all requirements of the administrative code in providing the necessary training program for all teachers hired with provisional certificates.

All teachers hired by the board for programs in the district supported with Title I, part A funds shall be highly qualified, as defined by federal law. All teachers of core academic subjects (English, reading/language arts, mathematics, science, foreign languages, civics/government, economics, arts, history and government) hired by the board shall be highly qualified.

It shall be the duty of the chief school administrator to see that persons nominated for employment shall meet all qualifications established by state or federal law, including the completion of a criminal history check, proof of citizenship or eligible alien status, and certification for the type of position for which nomination is made.

The chief school administrator shall take steps to verify the academic credentials of any potential candidate for employment, and ensure any degrees cited, academic coursework or credits completed, or titles claimed by an individual have been granted by an accredited institution of higher education. For chief school administrator candidates, the board shall take similar steps. This includes, but is not limited to, ensuring the candidate supplies official transcripts to verify that credentials are from an accredited institution. The board secretary shall have responsibility for ensuring the documents are received, verifying credentials, and reporting to the board on the process. Documents shall not be accepted from non-accredited institutions or any fraudulent source.

The board shall not pay tuition reimbursement, salary increases, or approve promotions for any employee based on credits earned from a non-accredited institution. If a current employee is found to have obtained employment, tuition reimbursement or increased salary based on documents or credentials obtained from a non-accredited institution, the board will take appropriate action, up to and including the possible discharge of the individual and/or obtaining a refund of the tuition reimbursement or increased salary.

RECRUITMENT, SELECTION AND HIRING (continued)

The chief school administrator shall recommend for employment those individuals who, in his/her opinion, are best qualified to fill the vacancy without regard to race, creed, color, national origin, ancestry, age, sex, affectional or sexual orientation, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, atypical hereditary cellular or blood trait of any individual, disability or because of genetic information or refusal to submit to or make available the results of a genetic test, or other conditions not related to the duties and responsibilities of the job.

The chief school administrator shall prepare and maintain job descriptions that define the duties, responsibilities and qualifications required for each position. The board shall adopt those job descriptions required by law or code and others as appropriate.

The chief school administrator in determining the candidates to be nominated shall seek information whenever possible from the candidate's prior employers.

The board shall affirm employment and initial placement on the salary guide by a recorded roll call majority vote of the full membership of the board.

The board shall appoint all staff members only from nominations made by the chief school administrator. Should a nominee be rejected, it shall be the duty of the chief school administrator to make other nominations.
