

## Chorus

*"Music is the universal language of mankind. " ~Henry Wadsworth Longfellow.*

The 5th Grade Chorus is an exciting opportunity for any students who are interested in singing throughout the entire school year. Students rehearse once a week as an ensemble, and learn musical skills, such as reading music, singing in harmony and proper vocal technique. Chorus students are also exposed to other cultures, languages and styles of music. And of course, it is about having fun! Try-outs are in the beginning of the school year, however, if a student is interested in joining and missed the try-outs, they are welcome to come speak with the Vocal Music teacher.

So “come one and all” in the 5th grade class, and join this wonderful musical experience!!
